September 25, 2015

Dear Person Responsible for Third Party Contracting:

OptumRx appreciates your pharmacy’s current participation in the Commercial and Medicaid pharmacy networks administered by OptumRx. In accordance with the Vaccine and Immunization Injection2 Network Compensation Exhibit to the Pharmacy Network Agreement, OptumRx is providing an update to the Flu Season Communication for 2015-2016. This communication highlights a pricing increase to the total reimbursement per dose to the FluBlok vaccine effective October 1, 2015. Please note coverage continues to remain dependent on member eligibility and status.

If you have any questions, please contact your assigned Network Contract Associate or Manager for additional details.

Sincerely,

Pharmacy Network Contracting Department
OptumRx
IMPORTANT INFORMATION REGARDING
Vaccine and Immunization/Injection2 Network

Effective 10/1/2015

As part of our effort to align with industry pricing, there has been an increase in the total reimbursement per dose for the vaccine FluBlok, all other pricing remains the same. This vaccine is currently now available for administration to eligible plan members under the OptumRx Program.

FLU SEASON COMMUNICATION 2015-2016 UPDATE

In accordance with the Vaccine and Immunization and Injection2 Network Compensation Exhibit to the Commercial Addendum and Medicaid Addendum to the Pharmacy Network Agreement, Administrator will provide Company a written communication via letter, fax or e-mail prior to August 1st each year ("Flu Season Communication") containing the available injection administered vaccine and/or immunization drug[s] that are to be considered Covered Prescription Services (each a “Covered Vaccine”) and the reimbursement rate(s) applicable thereto. Effective 10/1/15 the vaccine listed below on the Flu Season Communication 2015-2016 list of vaccines has been updated to the following rate per dose and may be administered to Members that have this vaccine as a Covered Prescription Service as part of their Benefit Plan.
