IMPORTANT INFORMATION REGARDING OptumRx Provider Portal

The OptumRx Provider Portal enables our contracted pharmacies to access tools and resources to help serve patients as well as manage their businesses. This is a one-stop source for providers and pharmacies who write and fill prescriptions. The portal is a gateway for pharmacies to:

- Perform member eligibility checks
- View claim history
- Check MAC (Maximum Allowable Cost) pricing
- View remittance Information (check date, check number, check amount)
- EFT / ERA enrollment forms
- Payer sheets
- Fraud, waste and abuse training and guidance to attestation
- Submitting a MAC appeal
- Provider manual
- OptumRx drug formularies
- Submit prior authorizations

Registration Information
To access the OptumRx Provider Portal, register or create an account at https://professionals.optumrx.com.

- Click Sign In Button > Select Role > Enter Information.
- By obtaining a secure login to the portal pharmacies will be able to view claim history, member eligibility checks, remittance information and MAC pricing.

Also on the website are the following clinician publications:

- **RxHighlights** – Provides a monthly overview of treatment guidelines, important literature and key issues influencing today's pharmacy and health care environment.

- **RxNews** – Provides valuable and timely information on drug therapy issues impacting today's health care and pharmacy environment.

- **RxOutlook** – Provides the latest pipeline drug information, trend news, upcoming drug launches and emerging therapies in today's pharmaceutical market.
